21 Applicant herein submits a petition under §1.182 "Question not specifically
22 provided for" for acceptance of a supplemental declaration in the present
23 application. At the time of filing the present application on December 3rd, 2003,
24 Applicant submitted a declaration (hereinafter, "original declaration") signed by
25 the inventors. It has recently come to the attention of Applicant that the original
 declaration contained a typographical error causing one inventor (Remembrance

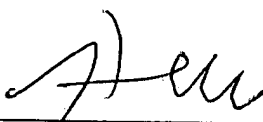

1 Louisa Newcombe) to be listed twice; once as "Remembrance Newcombe" and
2 once as "Remy Newcombe". A further typographical error caused the entry for
3 "Remembrance Newcombe" to be listed with her then current address, whereas the
4 entry for "Remy Newcombe" was listed with her previous address. On the
5 original declaration Remembrance Louisa Newcombe signed the entry for
6 "Remembrance Newcombe", while the "Remy Newcombe" entry which appeared
7 on a different page of the original declaration was left blank. Applicant submits
8 that the above-described typographical errors caused a single inventor
9 (Remembrance Louisa Newcombe) to accidentally be listed twice. Applicant
10 herewith submits an accompanying executed supplemental declaration which
11 properly lists Remembrance Louisa Newcombe a single time. Applicant submits
12 that no inventors are added or deleted in this supplemental declaration and instead
13 the supplemental declaration simply corrects the above described typographical
14 errors contained in the original declaration. Applicant herein submits this petition
15 and associated fee and supplemental declaration and requests that the
16 supplemental declaration be entered into the record to supplant the original
17 declaration.

18
19 Applicant is also filing a concurrent §1.182 petition for Application Serial
20 No. 12/025,194, filed February 4th, 2008, which is a divisional of the present
21 application and with which a copy of the original declaration was filed.
